**Mooring Agreement Rules**

- 1.) A **Centre Island Mooring Permit** must be on file prior to the mooring being set and installed, for your convenience you can obtain a copy of the permit at the Centre Island Village Hall.
- 2.) The mooring shall remain the property of the Seawanhaka Corinthian Yacht Club at all times.
- 3.) The mooring is for the use of boats owned or chartered by the undersigned during the 2018 season, so long as he/she remains a member in good standing of the Club.
- 4.) When the mooring is not being used by the undersigned and after notifying the Dockmaster or Boatyard Office, he/she may permit a guest to use the mooring free of charge for a maximum of three (3) nights after which the guest must pay visitor mooring rental fees.
- 5.) The Club may rent vacant moorings to guests.
- 6.) Any member who picks up a guest mooring or mooring reserved for another Member without consent from a launch driver is subject to a \$50 fine. If you return to find your reserved mooring occupied please notify the launch driver immediately.
- 7.) The Club will not be responsible for loss, injury or damage to persons or property arising from the use of a mooring or storage on the property. Members are to maintain appropriate liability insurance and will be held liable for damage their vessel does to other boats and/or property.
- 8.) A Double Bridle (where possible) is required on all boats before Memorial Day and after Labor Day.
- 9.) All moorings must be vacated by December 1, 2018.
- 10.) The vessel's owner is responsible for reporting any shortening of scope due to mooring chain wrapping around the mushroom shank. Owner should also assure that the mooring pennant is not wrapped under the mooring buoy.
- 11.) The owner will be responsible for damage to mooring bridles and pick-ups due to inadequate chocks, mooring leads, cleats, or if bridles and pennants are wrapped under the mooring buoy due to improper tie up by owner.
- 12.) Seawanhaka Corinthian Yacht Club reserves the right to move any mooring in the "Special Anchorage" area at any given time if needed due to safety or weather.
- 13.) Please let us know when your yacht leaves the mooring for extended trips and its return date so we can inform the diver that your boat will not be available for cleaning during that time.

## Dive Service Agreement

*In case of bad weather, it is up to the discretion of the dive service whether it is safe to go into the water. Boats that have been scheduled for that week will be notified. Members that do not want to wait until their next scheduled cleaning, can inform the Boatyard that the vessel be scheduled the next available day. The last day for bottom cleaning is determined by the dive service, which will usually be the first week of October. Any bottom cleaning done after that is on a per request basis.*

*Powerboats will be scheduled for dive cleaning in the beginning of the week with sailboats being scheduled towards the end of each week, weather permitting. Exceptions can be made for those members with upcoming races, or who race on a weekly basis. Call in's may not be done on Thursdays or Fridays. Please notify the Boatyard if you believe your boat will not be available for your scheduled cleaning. We do not recommend that boats with soft bottom paints schedule for more than a once a month cleaning (if so the paint may not make it to the end of the season). However, running gear cleaning can be provided more frequently. Boats with outdrives and thrusters will be charged an extra fee of \$30.00 per unit.*

- Check box if Running Gear has "Prop Speed" (will not be cleaned)

Check all components that are coated:    - Prop        - Shaft        - Rudder
